1) Question raised:

| Points raised by the potential bidders | | Clarifications from Client(WBPCB) |
|---|---|---|
| 1. | The payment terms may be revised as 90% with shipping documents and 10% after delivery as against the existing 10% advance, 70% with shipping documents and 20% after delivery. | The proposed payment scheme is not acceptable. The payment scheme provided in the bidding document is to be adhered to. |
| 2. | The bidders proposed that the clearing and local transportation may be borne by the State Board. | This proposal is not acceptable as the entire job is a turn key contract till installation and handing over. |
| 3. | One of the bidder mentioned that the specification of 12 kg against “Weighing Capacity” of the Bomb Calorimeter may be revised to 1.2 kg. | Weighing capacity should be read as 1.2 kg in place of specified 12 kg. |
| 4. | Representative of Brooker proposed that the technology for the X-Ray Fluorescence Spectrometer may be changed to T-XRF from the proposed ED-XRF. | The specified ED-XRF stands. Change it to T-XRF at this stage is not possible. |
| 5. | Representative of Savant Instruments proposed that | The specification provided in the bidding document |

| | | |
|----|---|------------------------------------|
| | the Isothermal heating for the flash Point Tester may be specified as Non-Compensated. | is to be adhered to. |
| 6. | The representative of Elico proposed that the temperature control technology of "Peltier Cooling" for the Flash Point Tester may be included. | "Peltier Cooling" stands accepted. |

All the bidders had query regarding the bidding currency. This is to intimate all that the financial offers from Indian bidders should be made in Indian Rupee only. Bids made in any other currency by the Indian bidders will be summarily rejected.
